PET FOOD ASSISTANCE PROGRAM

The goal of our Pet Food Assistance Program is to help the animals in our community whose families are facing temporary financial situations, so they have an option outside of surrendering their furry family member to the shelter. Qualifying pet owners throughout Mohave County, AZ can receive supplemental amounts of dog and cat food to help feed their pets when available.

PHOTO IDENTIFICATION IS REQUIRED

You will be asked to show identification when you come to pick up food. This will help us find your information more quickly, allow us to make updates to your form, confirm your legal address, and verify you are the person receiving the service. Please remember to bring a valid driver's license, ID card or some form of photo identification that has your name and address.

NUMBER OF VISITS

All Feral Cat Warriors clients may receive food assistance 3 time in a calendar year. The program is not a long-term food pantry; our food supply is limited and not always available. We distribute pet food on a case by case need and you would have to apply again.

This program is only intended to supplement the food you purchase for your dogs and cats.

QUALIFYING FOR PET FOOD ASSISTANCE

Our Pet Food Assistance Program is NOT income based. We realize that everyone can find themselves in a financial situation from time to time.

FOOD IS AVAILABLE FIRST COME, FIRST SERVED

The Pet Food Assistance Program is a first come, first served program. We distribute pet food based on when an application is received and approved.

AMOUNT OF PET FOOD SUPPLIED

Every situation is different, based on need and our supply of pet food. Our goal is to try and make sure you have enough pet food to get you through a week at the minimum.

This program is intended to supplement the food you purchase for your dogs and cats. Food amounts for dogs are based on the dog's weight. All cats receive a set amount of food regardless of size.

Again, we cannot guarantee this as a lot depends on our inventory.

UNALTERED PETS

We encourage responsible pet ownership and require that any cats or dogs you are feeding through our program be spayed/neutered. If any of these animals are not spayed/neutered, you will be given two opportunities to comply before we are unable to continue helping you with food. We reserve the right to ask for spay/verification from your regular veterinarian. If the pet came to you fixed and you have no vet history, we may be able to schedule you with one of our vets for verification.

We are more than happy to provide you with information on low cost spay/neuter options here in Mohave County.
